

True North Cohorts 2010
Session 2 "Ministries and Discipleship."

When's the last time you had a blast while **growing exponentially**? That would be during True North Session 2, for those of us that attended!

Our speakers were **Ken Jasko, Jon Wegner and Jermel Mayo**. Ken spoke on Ministries and Jon & Jermel tag-teamed and spoke on Discipleship. **Their talks were powerful, engaging...humorous and touching!** Have you ever looked at something that worked so well and thought, "I want to know how they did that!" Our speakers have done these things VERY WELL and came to share their **experiences**, their **faith** and the "**how to's**" with us.

Here are just a few of the **HIGHLIGHTS** from the day:

Ken on **Ministries:**

- **Our place in our communities is defined by our ministries:**
- Ken gave us incredible and **easy-to-implement ministry ideas** that can infuse our churches/ministries into the community;
- "**How To's**" on *starting, multiplying and managing* ministries;
- The need for, and the "**How To's**" for, **Training ministry leaders**; and
- The **signs of a dead ministry** and burying those dead ministries.

Jon/Jermel on **Discipleship:**

- Beginning in our own homes with our own families;
- Having a plan in place for discipleship within the church;
- Raising up the right high-level leaders; and
- Having an intentional and measurable process for their growth.

The round table discussion yielded incredible wisdom - **We are better together!** The session ended with a special time of prayer and impartation. **We all hope to see you and your ministry teams in May** for training on **Evangelism, Missions & Public Relations.**
