

Dear Friend:

Here is additional information concerning **True North Cohorts 2010**.

To condense, we will be bringing competent, experienced, and holy church leaders to your part of New Jersey six times in 2010. We will be covering six critical areas for churches and ministers (see "Introduction" on True North). These **six one-day events starting at 9 a.m.** will sharpen, encourage, equip and inspire you in 2010 to "**CLOSE THE GAP**" in your community and our very influential state. We will be meeting in the following areas:

- **Northern – Calvary Temple, Wayne**
- **Central – First Assembly of God, Freehold**
- **Southern – Bethel Christian Center, Blackwood**

These precious churches are investing into our lives so please thank them and their pastors.

We begin in **February (see all dates on other True North pages)**. **Dr. Robert Rhoden**, General Council's Northeast Executive Presbyter, will be sharpening us in the morning and afternoon. There will also be Q and A, table talk, lunch, resources and prayer times. You will be investing into your life, the church and community entrusted to your care. Bring yourself, your staff and other church leaders.

Cost is minimal: \$25 per person in advance (payable to NJ District Council); the price of a good supper. You can pay \$30 at the door, and/or you can pay for all (6) days in advance for **\$150**. However, we need to know how many are coming to each regional event. Our host churches need to prepare food, etc. We want our ministers/leaders to be served appropriately. So, as some of you have been doing (thank you), **please email us (njdcexecsec@njag.org) three weeks in advance** so we can give the host church a proper heads up. (You will receive a reminder one month before each event.) **Tell us what region you'll be attending.**

By the way, thank you for your emails. The Spirit of God is resonating in many of our hearts, this deep concern for our churches and communities (especially so in these last days). I can't wait to be with you as we "**CLOSE THE GAP**" in all our communities in 2010. Please call me if you have any questions (609.747.7878, ext. 202). God's peace, grace, blessing and favor be yours.

Your friend,

Frank Reitzel
