

Missions Project
2009
Dreams Come True
Blessing Missionary Kids

Project goal: \$250 per child.
This year we have 7 MK's to bless.
Can your church sponsor one of them?
Monies given to this project are divided among the Missionary Kids (MK's) that our district supports. Children are selected based on their parents itineration schedule. These monies allow the MK's to get something that their budget can not afford.

Church Name _____
Sponsors Name _____

We ask that you support our district projects in a manner that fits the style of your church.
If fund-raisers are appropriate we encourage you to do so.
Let the girls know that they can help Missionaries in New Jersey and around the world.

PROJECT MONIES are to be turned in at Celebration
or sent with your Registration.

PROJECT PROMISES are due by December 31, 2009
and are to be sent to the New Jersey Girls Ministries Office.

Thank you for supporting our missionaries and their families!
